### Description

**Description:**

Melatonin Pura 5 mg, improve physiological sleep and control sleep wake rhythm. Melatonin is naturally produced in our body to regulate the sleep/awake cycle. Particularly indicated for the elderly and for those who have sleep problems, helps regulate the circadian rhythms, has antioxidant and anti-aging properties. Works gently to provoke a natural sleep and does not leave any signs of drowsiness the next morning because it is metabolized in a few hours.

Gluten free, No milk derivatives, Lactose free, No added sugar, No added preservatives, No artificial flavoring, No artificial coloring, No-ogm. Suitable for vegetarians and vegans.

**Use:**

1 microtablet daily with abundant water, preferably one hour before going to bed.
