Description

Moments4me Brightening Face Mask is formulated from alpine plants with lightening and antioxidant properties. It is ideal to restore balance and illuminate the complexion. Moreover, Moments4me Brightening Face Mask reduces pigment spots and restores both freshness and radiance to the skin.

Use:

1. Thoroughly clean your face.
2. Open the sachet. The mask is between two protective sheets.
3. Remove the first protective sheet and place the mask on your face.
4. Ensure that the mask perfectly adheres to your face.
5. Peel back the second protective sheet. Leave on up to 15 minutes.
6. Remove the mask and gently massage the excess serum onto your face
