Description

Moments4me Charcoal Face Mask is infused with activated charcoal to eliminate impurities and to absorb excess oil for a matte effect. Containing an aromatic resin, Moments4me Charcoal Face Mask refines the skin texture, focusing on areas of both shine and imperfections.

Use:

1. Thoroughly clean your face.
2. Open the sachet. The mask is between two protective sheets.
3. Remove the first protective sheet and place the mask on your face.
4. Ensure that the mask perfectly adheres to your face.
5. Peel back the second protective sheet. Leave on up to 15 minutes.
6. Remove the mask and gently massage the excess serum onto your face.
