### Description

**Description:**

Looking for a fresh take on air drying all those baby bottles?

The award-winning Sprout Drying Rack by Munchkin offers discerning moms a stylish and functional way to dry bottle parts and accessories while keeping countertops clean and clutter-free. The Sprout Drying Rack has a large capacity, allowing you to load up to 12 baby bottles of all sizes onto its peg branches.

A handy, slotted drip tray holds accessories in place for thorough drying of even the smallest pieces.

There's a built-in reservoir for capturing any drips plus a spinning base for easy access.

This drying rack is sure to make your friends green with envy when they see it blooming on your countertop!

- Stylish rack for drying bottles, cups, and breast pump accessories
- Easily holds up to 12 bottles of all sizes
- Includes built-in reservoir and spins for easy access
- Holds sealing disks and straws upright for complete drying
- Beautiful, nature-inspired design
