### Description

**Description:**

Specially formulated for use right from the day your baby is born,\* (\*Includes babies newly-discharged from neonatal care) , Mustela Bébé dermo-soothing wipes are ideal for changing your baby's diaper wherever you are, at home or on the move:

- Leave your baby's diaper area perfectly clean, thanks to saponaria leaf and root extract.
- Soothe and soften your baby's diaper area thanks to the hydrating, protective action of aloe vera and glycerin.
- Leave baby's skin delicately scented.
- Thanks to their new formula enriched with Avocado Perseose®, a patented ingredient of natural origin, Mustela dermo-soothing wipes help strengthen your baby's cutaneous barrier and preserve the cell strength of her skin.

Mustela Bébé dermo-soothing wipes are big, resilient and super-moist for quick and effective cleansing of your baby's diaper area. They leave baby's skin delicately scented and super-soft. Soft packaging makes them extra-practical and easy to carry around.

Priority given to ingredients of natural origin. Paraben free, phthalates & phenoxyethanol free. High tolerance, hypo-allergenic formula. Dermatologically tested under pediatric control for optimum safety.

**Use:**

Use as often as necessary for delicately cleansing your baby's diaper area. No rinsing required. Safe to use right from the day your baby is born
