Description

Mustela Maternite Nursing Comfort Balm is a balm that forms a moisturizing film with restorative effect.

It provides a sensation of comfort and soothing to the sensitized nipples during feeding. Formulated based on organic Olive oil, pure and rich in Omegas 6 and 9, known for its soothing properties, it repairs in durable way this sensitive area.

Specifically designed for the nipple area, a sensitive area constantly exposed during breastfeeding. Its formula enriched with natural active ingredients, such as organic olive oil that nourishes and supple the skin. Moreover, the glycerin is a rich moisturizing component, smoothing the area of application. Also, the vitamin E in its composition soothe and replenish the skin, thus providing a comforting sensation after use. This fragrance-free, vegan, dermatologically tested formula forms a protective shell on the nipple. Its rich, melting texture makes it a pleasant and easy to use maternity product.

Main Ingredients :

- Organic olive oil, rich in Omega 6 and 9, nourishes the skin;
- Glycerin offers a moisturizing action, fortifying and strengthening the skin's moisture barrier;
- Sucroses laurate and sucroses stearate have an emulsifying function, hence providing a melting texture and facilitate the skin's hydration;

- Vitamin E acts as a natural antioxidant.

How to use :

Apply Mustela Maternite Nursing Comfort Balm generously to the nipple after each feeding. Check that the nipple is clean before feeding. No need to rinse.
