Description

Description:

Nair Sensitive hair removal cream with natural extracts is specially formulated to gently and quickly remove hair around sensitive areas without nicks, cuts, or razor bumps. With a base of Camellia oil this cream leaves your skin soft and smooth and is ideal for women with sensitive skin. With the Nair spatula included, it's quick and easy to apply and remove. For all hair types. Dermatologically tested.

Use:

- Smooth Nair Cream Hair Remover on thickly to cover hair.
- Do not rub in
- After 3-4 minutes test a small area. If hair is not easily removed, re-apply and wait longer.
- Do not exceed 10 minutes
- For especially coarse or hard-to-remove hair, saturate hair with warm water for several minutes first, pat dry then apply Nair.
- To remove hair, rinse thoroughly with warm water using a washcloth and pat dry.
- Do not rub or use soap
- Cap tube tightly when not in use.
