Description

Description:

Natessance Shea Butter Oil 100ml 100% pure is ideal to protect and repair the dry skin daily or occasionally. The oil rich in omega 6, 9 and vitamin E is rapidly absorbed by the skin (face and body) and by hair. Very rich, it is a perfect care for the epidermis and hair: it protects, repairs and sublimates. The skin is more comfortable, beautiful and the hair is less dry and damaged. Without paraben, silicone. Dermatologically tested.

Use:

Apply on face and body to moisturise. Apply on the hair before shampoo to nourish, or the whole night if needed.
