Description

Description:

Neocell Super Collagen+C Collagen type 1&3 is a complex structural protein that maintains strength and flexibility throughout the body. It is made up of the collagen peptides Type 1 & 3 which support collagen in skin, hair, nails, muscles, tendons, ligaments and bones. Enzymatically hydrolyzed, providing an amino acid ratio with a low molecular weight for maximum bioavailability and utilization by the body. When taken internally, the body receives the raw materials it needs to supplement the collagen found in all of these areas and may act as a messenger to trigger the synthesis of new collagen fibers. Vitamin C is added to provide optimum supplementation of your dietary collagen needs.

- Promotes Healthy Skin, Hair, Nails, Muscles, Tendons, Ligaments & Bones
- Formulated With Collagen Derived From Pharmaceutical, Food Grade Bovine
- Nutritionally Supports & Stimulates the Synthesis of New Collagen Fibers
- Enzymatically Hydrolyzed for Maximum Bioavailability & Utilization by the Body

Free of Artificial Flavors, Gluten Free, Lactose Free, Soy Free, Starch Free, Wheat Free, Yeast Free. **Collagen type 1&3 benefits:**

Provides specific amino acids necessary to replenishing the body's collagen supply, helps minimize fine lines & wrinkles, and improves elasticity in the skin, builds and supports bone matrix, corrects weak, broken, split and damaged nail beds, thickens fine hair, adds body and slows down hair loss, repairs connective tissues for improved elasticity; improves circulation; promotes glycine builds lean muscle to help burn fat while you sleep.
