### Description

**Description:**

Nutreov Sunsublim Integral Tanning Normal Skin Pack of 3 x 30 Capsules helps to activate and sublimate the tan while protecting the skin from the harmful effects of the sun.

These capsules are enriched with argan oil, known for its multiple benefits on the beauty of the skin.

They allow a tan faster and uniform, while making the skin glowing.

Its assets have been carefully selected for a beautiful and homogeneous tan.

- Alpha and beta carotene of red palm oils, with pigmenting properties.
- Selenium, antioxidant, contributes to the protection of cells against free radicals.

**Use:**

Take 1 capsule daily during a meal. Start minimum 15 days before first exposure, continue during and after exposure.

Refer strictly to the instructions for use.
