Description

Description:

All day hydration without clogging the pores, clearing your skin.

Neutrogena® Visibly Clear® Clear & Protect Oil Free Moisturiser with Salicylic Acid Helps clear breakouts from initial use plus helps preserve skin's defense so skin becomes clearer.

With exclusive ClearDefend technology™:

This correcting formula helps fights spots deep down into the pores.

Proven to leave most of skin essential nutrients intact, preserving its natural shield.

The lightweight, easily absorbed moisturiser provides all day hydration and makes skin soft without clogging the pores. The formula helps fade spot marks for a more even and healthy looking complexion. Skin is left soft, more even and visibly clearer.

Use:

Apply in the morning and evening on freshly cleansed skin.
