Description

Description:

NHCO Aqualyse Purifying Concentrate, is a drink concentrated with 6 plant complexes enriched with specific amino acids to help purify the body and speed up metabolism. It is a nutritional supplement made for people hoping to purify their bodies, either occasionally or to accompany a weight-loss regime.

- N-Detoxyl™ complex is an exclusive combination of amino acids, L-Arginine and L-Citrulline, milk thistle which aids the protection against oxidative stress, and dandelion root helping detoxify the body.
- Lip-AOX™: Contains Vitamins C and E that protect cells against oxidative stress produced by free radicals.
- 3D-Pure™: contains recognized draining plants, such as the root of Wheatgrass, which contributes to the renal elimination of water.
- The Green Tea of lipolytic complex promotes elimination of fat. With Maté, they also have a draining action. Choline contributes to normal lipid metabolism, normal homocysteine metabolism and maintain normal liver function.
- Vitamin C helps reduce fatigue. It contributes to normal energy metabolism and normal functioning of the nervous system and the immune system. It helps protect cells from oxidative stress, normal psychological functions. It increases the absorption of iron and helps the regeneration of the reduced form of vitamin E.
- Vitamin E helps protect cells from oxidative stress, Vitamin B6 helps to reduce fatigue, maintain normal energy metabolism, the normal functioning of the nervous system. It contributes to the normal metabolism of protein and glycogen, regulating hormonal activity and contributes to normal psychological functions.

Use:

The first 10 days: drink 20 ml per day in a glass of water. The last 10 days : drink 30 ml per day in a glass of water. Shake the bottle before use. Close tightly after opening, refrigerate and consume within 30 days.
