Description

Description:

Specially developed to gently cleanse dry, very dry, sensitive, atopic skin and avoid any drying effect, XERODIANE PLUS Gentle foaming gel soap-free protects and moisturises the skin on the face and body. Its well-tolerated formula means it can be safely used daily on infants, children and adults.

- Extra-rich agents: leave a protective film on the surface
- Physiological pH: gently cleanses the skin
- Gentle surfactant: is not harsh on the skin
- Paraben-free & Soap-free
- Liquid syndet
- Easy to rinse

Use:

Use daily during outbreaks of inflammation or in remission on the face and body, on damp skin. Rinse. Can be used to wash the body and hair of infants.
