Description

Novadiet Celudis is a supplement designed with a natural formula, specially designed to treat cellulite and eliminate it. It has extraordinary natural properties and gives your skin a healthy appearance.

Novadiet Celudis for Cellulite improves the metabolism and functioning of fat cells in the subcutaneous region, restoring the good appearance of your skin and its normal softness.

Celudis by Novadiet has a formula composed of gotu kola, pineapple, grape seeds, citrus aurantium, birch leaf extract and Collactive®, an extraordinary state-of-the-art patented compound that combines hydrolyzed collagen and elastin, thus it provides a toning effect on the skin .
