Description

Description:

Nurideen Plus Tablets are a unique high strength formulation which combines the benefits of the most well known ingredients for skin health. Hydrolysed Collagen and Silica help to maintain healthy levels of collagen, providing the skin with strength and elasticity; Hyaluronic Acid helps retain the skins moisture and suppleness; Beta-carotene and Vitamin E are powerful antioxidants which help protect the skin from premature ageing caused by oxidative stress; Vitamin C plays a vital role in collagen production and helps protect the fibers that support skin structure; Zinc is an essential mineral that helps regulate the activity of the oil glands, keeping the skin looking healthy and radiant.

Benefits:

- Helps to care for the skin, and maintain its strength and elasticity
- Contains powerful antioxidants to protect the skin cells against oxidative damage and ageing
- Provides support for problematic skin conditions, such as acne, by helping to regulate the oil glands
- Keeps skin supple
- Helps maintain the skins natural moisture and glow
