### Description

**Description:**

Nutricap Anti-Fall Shampoo, Soft, washing and frequent use shampoo Anti-drop helps revitalize the scalp. Its complete and original formula intensifies anti-fall care. The Prolytéine is an active naturally occurring real growth stimulator of existing hair. It thus helps to delay the process of falling. Wheat proteins provide softness to the hair. With this combination of assets, hair regains all their splendor.

**Use:**

Distribute shampoo to wet hair, massage the scalp and rinse thoroughly. In everyday use. For efficiency, reapply your shampoo and leave for 2-3 minutes for better absorption of active ingredients.
