Description

Description:

This multi-usage dry oil, made using six Precious Plant Oils (Macadamia, Hazelnut, Borage, Almond, Camellia and St. John's Wort), nourishes, repairs and softens skin and hair, in addition to Tsubaki oil (Camelia Japonica) with exceptional nourishing and anti-aging properties, for an even more complete and effective formula.. It has a unique, non-greasy feel and a captivating fragrance. *Source: IMS Health - Pharmatrend - women's body oils market at the end of September 2013, based on pharmacy sales. For Face, Body and Hair. Contains at least 97,8% natural ingredients. No Preservatives.

Use:

Use Huile Prodigieuse all year round, in winter and in summer, on face, body and hair.

Use on face and body to nourish and reveal soft, silky skin.
Use on hair to nourish dry ends or to give lengths an artfully dishevelled look.
Can be used as a hair mask before shampoo for an intensely nourishing effect.
