### Description

**Description:**

Nuxe Men Anti-Irritation Shaving Gel :For all skin types, including sensitive skin.

A thick and creamy gel shaving foam with Sandalwood extract for an easy, accurate and irritation-free shave. A masculine, woody and spicy fragrance.

Contains at least 80 % of natural origin ingredients

This shaving gel improves precision shaving by encouraging the blade to slide on the skin, while restoring the hydrolipidic film (Sandalwood and Phellodendron). It also helps to swell the hair to enable the blade to pick it up and reduces the appearance of ingrown hairs (Urea Derivative).

The skin is more supple and flexible (Vegetal Glycerin).

No parabens.

**Use:**

Shake the bottle well and apply a small amount of gel to your moist face. Massage, lather and shave as usual. Rinse with water after shaving.
