Description

Description:

The Parisian woman recognizes how important it is to take care of her skin, even before the signs of aging begin to set in. More importantly, she knows how harmful stress can be for the skin – it alters the cells and sets the stage for future wrinkles. But sometimes keeping calm is easier said than done, so she seeks out beauty products with skin relaxing effects

This combination skin first wrinkle cream, with Peony and Blue Lotus seeds instantly and visibly smoothes wrinkles and lines by helping skin to relax. Skin appears immediately relaxed and shine reduced.

Facial features seems to be de-stressed and the complexion looks radiant. Day after day, fine lines are smoothed. **Use:**

Apply morning and/or evening onto face.
