Description

Description:

Nuxe Nirvanesque 1st Wrinkles Smoothing Cream with blue lotus seeds and peony de-stresses, relaxes and moisturizes normal skins when the first wrinkles appear. The appearance of first wrinkles is directly linked to skin micro-tensions. The Nuxe cream immediately and visibly smoothes wrinkles and fine lines. Thanks to its Peony and Althea roots, Poppy and Blue Lotus seeds, it helps the cutaneous relaxation. Musk Rose oil highly moisturizes.

Moisturized, the skin appears relaxed, first wrinkles are reduced and facial features seem to be de-stressed: the complexion looks radiant. 88,7% of the total ingredients are from natural origin. Paraben-free. Non comedogenic.

Use:

Apply morning and/or evening onto face.
