### Description

**Description:**

Nirvanesque Contour des Yeux First Expression Lines Eye Contour Cream by Nuxe is a hypoallergenic product that will diminish the look of dark circles, reduce any puffiness and bags while revitalizing and destressing the skin. Offering anti-wrinkle, anti-puffiness and de-stressing benefits, this excellent formula will provide you with an even skin tone. A mixture of Amaranth, Poppy Seeds, Hyaluronic Acid and Blue Lotus Seeds fight against slackening of the skin and leave it hydrated and conditioned. Suitable for all skin types, this intensive cream will have your eye area looking youthful and healthy.

Contains at least 89% natural ingredients. Paraben-free. Non-comedogenic.

**Use:**

Apply morning and/or evening to the perfectly cleansed eye contour area, before using the Creme Nirvanesque that is suitable for your skin type. Suitable for contact lens wearers.
