Description

Description:

This 10 patents youth revealing anti-ageing eye care, with Passionflower and Hyaluronic Acid, smoothes and illuminates the eye area. Looking less tired, the eye area appears radiantly youthful. Its perfecting and smoothing texture and its decongesting massage applicator provide an instant perfector effect.

Features:

- Ideal for all skin types
- No parabens.
- Special fragrance for the delicate eye contour area.
- Perfecting and smoothing texture.
- Natural self-adjusting shade (suitable for all complexions)

USE:

Apply the anti-aging product Nuxellence® Eye Area morning and/or night, to the eye contour area.

1. With the applicator, deposit three small dots of Nuxellence® Eye Area: one on the arch of the brow, one on the inner corner of the lower eye area, and one underneath the eyes.
2. Smooth with the applicator from the interior towards the exterior of the lower eyelid.
3. Repeat the same step on the upper part of the eyelid and the entire arch of the brow, without forgetting the space between the eyebrows.
4. Spread the texture outwards as far as the temples using a smoothing movement with the applicator.
