Description

Description:

This anti-ageing rich cream with Saffron and Bougainvillea Bi-floral Cells helps regenerate the skin, reshape facial contours and smooth away wrinkles. Skin appears younger: smooth and dense, seemingly replumped. Its natural radiance is enhanced. This anti-ageing rich cream provides nourishment, suppleness and comfort.

FORMULA:

Paraben-free.

Orange Blossom, Raspberry and Sandalwood scent.

7 [FR] Patents patents pending

Contains at least 94.1 % of natural origin ingredients

Use:

Apply the Nuxuriance® Ultra Global Anti-Ageing Replenishing Rich Cream to your perfectly cleansed face, neck and décolleté in the morning after the Nuxuriance® Ultra Serum.

1. Warm a drop of cream between the palms of your hands.
2. Apply using brief smoothing strokes with alternate hands, working up from the bottom of your face. Pay particular attention to the facial contours and temples.
3. Repeat the movements on the other side of your face. Then apply to the décolleté area, smoothing outwards from the center.
