### Description

**Description:**

In summer or winter, this multi-usage face and body powder with Jasmine Flower gives an instant healthy glow, a sun-kissed effect, enhances tan and illuminates the complexion. Its light-as-air texture means it brushes on like a sunbeam. Enhances skin for a radiant glow.

This multi-purpose powder can be used in summer and in winter for an instant healthy glow, or to intensify your tan. It illuminates (Optical Correcting Pigments, Micronized Pearly Pigments) and protects the complexion (Vitamin E, Ceramide, natural Bisabolol). The skin is enhanced and radiant; the tan is revived and even. For all skin types and skin tones. Contains 88.9% natural ingredients (including Jasmine Flower). Paraben free. Non-comedogenic.

**Use:**

Use a brush to apply Poudre Éclat Prodigueux to face, décolletage, shoulders, arms and wherever you want light to linger...
