Description

**Description:**

The Nuxe White Brightening Moisturising Lotion is a refreshing and brightening lotion that prepares the skin for the application of brightening care. The lotion gently exfoliates dead skin cells and encourages cell renewal thanks to the Hibiscus flower blended with Hyaluronic Acid and Cherry Blossom Flower to enhance skin's moisture level to leave a refined skin texture. The white flowers and Vitamin C in the Brightening Moisturising Lotion help contribute to brightening the skin's overall complexion.

97.3% ingredients of natural origin

Paraben-free **Use:**

After cleansing, saturate a cotton pad with lotion and apply to face and neck, no need to rinse. Apply morning and night.
