Description

Description:

Obagi's Balancing Toner stabilizes skin's delicate pH levels to reduce excess oil production for a clearer, more matte complexion. Witch hazel purifies and minimizes pores, while sodium PCA provides lightweight hydration. Aloe vera and antioxidants soothe inflammation, even skin tone and protect against environmental aggressors.

Benefits:

- Eliminates oil and impurities
- Restores the skin's natural pH
- Minimizes pores and oil production

Ingredients:

- Witch Hazel: stabilizes oil production, minimizes pores and leaves the skin shine-free

- Antioxidants: protect the skin against environmental impurities and stressors and prevent the visible signs of skin aging
- Aloe: soothes and hydrates to prevent overdrying

Use:

Pump two to three pumps of toner onto cotton pad. Smooth across face and neck, avoiding the eyes, after washing with Foaming Cleanser. Allow to dry before applying additional products. Use morning and evening.
