Description

**Decsription:**

Onagrine Global Expertise Contour Eyes & Lips Anti-Age Precision 15ml is an anti-wrinkle and anti-puffiness care that is suitable for all skin types.

This treatment combines active molecules of Onager, an anti-glycation concentrate from Southern Nepal, the natural essence of black Rose Baccarat and Maca extract from the Peruvian Andes with anti-wrinkle and draining properties.

The Infusion of Abyssinian Watercress with antioxidant properties limits the impact of free radicals and the appearance of unsightly stains.

Hyaluronic acid and light powders make it easy to relax and straighten the look immediately. Wrinkles and fine lines disappear, puffiness and dark circles are less visible.

Paraben free, no ingredient of animal origin.

**Use:**

Apply morning and evening on the contours of the eyes and lips.
