Description

Description:

Designed for effective support and targeted relief, the uCozy relieves strains and soothes aches on your neck and shoulders.

- Soothing kneading massage: The 4 massage nodes eases tense and aching muscles with its robust 3D dual-directional kneading action. Simulating the expertise of a professional masseuse, feel the pleasures of effective, spot-on relief for your neck and shoulders.
- Comforting warmth: The soothing warmth function further enhances circulation and melts away tension to relieve sore, aching muscles.
- Portable delight: With a one-button control menu, the lightweight and portable massager is delightfully user-friendly. Just press and enjoy - whenever you wish. Car adaptor included.
