Description

Description:

Osteoflex formulation provides nutritional support for healthy joints and cartilage.

A unique combination of high grade Glucosamine and Chondroitin Sulphate with added Vitamin C, Turmeric and Manganese to help maintain supple, flexible joints, strong cartilage and a healthy skeleton. Suitable for men and women of all ages.

Osteoflex Tablets may be of benefit to:

- People who suffer from osteoarthritis
- Elderly people who need to nourish their joints and rebuild cartilage to ensure flexibility
- People who experience pain, stiffness or swelling in their joints (especially in their knees)
- People who experience arthritic back and neck pain
- Athletes who need to provide extra support to their joints to avoid injuries

No added sugar or salt. Yeast free, Gluten free, Wheat free, Soya free, Dairy free, Artificial colours free, Preservatives & Flavourings free.

Allergen Information: Do not take this product if allergic to shellfish.

Direction:

Adults and children over 12 years of age, one to two Osteoflex tablets daily with a main meal.
Do not exceed recommended daily intake unless advised by a suitably qualified person.
