Description

Description:

Osteoflex Plus formulation provides nutritional support for healthy joints and cartilage.

A unique combination of high grade Glucosamine, Chondroitin Sulphate and Hyaluronic Acid, with added Vitamin C, Turmeric and Manganese to help maintain supple, flexible joints, strong cartilage and a healthy skeleton. Suitable for men and women of all ages.

Osteoflex Plus may be of benefit to:

- Elderly people who need to nourish their joints and rebuild cartilage to ensure flexibility
- People who experience pain, stiffness or swelling in their joints (especially knees sufferers)
- People who experience arthritic back and neck pain
- Athletes who need to provide extra support to their joints to avoid injuries

Yeast free, Gluten free, Wheat free, Soya free, Dairy free, Artificial colours free, Preservatives & Flavourings free.

Allergen Information: Do not take this product if allergic to shellfish.

Direction:

Adults and children over 12 years of age, one to two tablets daily with a main meal.
Do not exceed recommended daily intake unless advised by a suitably qualified person.
