Description

Description:

Palmer's Coconut Bronze is a pure blend of Raw Coconut Oil and Vitamin E that hydrates deeply and provides unsurpassed radiance while rapidly developing and enhancing color and extending the life of your tan.

Note: Though it appears solid in bottle, Palmer's coconut Bronze 100% natural coconut oil will melt into a rich oil when exposed to temperature above 80 degrees.

Use:

Apply generously all over the body. Reapply frequently (after swimming or exercise).
