Description

Description:

Controls and fights the recurrence of the itching, redness, flaking and irritation associated with psoriasis and seborrheic dermatitis.

Contains active & relieving humectant & antioxidant ingredients.

Mild enough for dry skin to use daily.

Skin appears calm & healthy.

Ideal for of dry skin, including skin with eczema, keratosis pilaris & psoriasis.

Directions:

Use on affected areas in place of your regular soap.

Develop a creamy foam on a wet sponge. Cleanse affected area & let foam leave on skin for 2 minutes. Rinse off with lukewarm water & pat dry. Follow with daily regimen.

For best results use at least twice a week or as directed by a physician
