Description

Description:

A dietary supplement comprised of natural elements, each daily dose provides all the nourishing vitamins, essential fatty acids and antioxidants needed to promote healthy hair growth, strengthen nails, illuminate skin, and fortify lashes. Hair regains its density and shine, and you feel good too!

Clinical efficacy testing on 20 volunteers experiencing thinning or lifeless hair revealed after three months:

95% noticed an improvement of the state and aspect of hair

90% noticed stronger hair

Use:

Take two caplets once a day, preferably in the morning, over a four month period. Discontinue for one month. Restart the cycle. May be taken all year long.
