Description

Description:

Lactibiane Defenses is a mixture of microbiota strains, andrographis (plant originating from Asia), as well as zinc and Vitamin C which support the normal functioning of the immune system.

All of our Lactibiane products are guaranteed to be **gluten** free and **lactose** free.

The 3 microbiota strains contained in Lactibiane Defenses have been stored and registered in the private collections held by the Institut Pasteur.

- > *Lactobacillus acidophilus* LA 201
- > *Lactobacillus helveticus* LA 102
- > *Bifidobacterium longum* LA 101

Use:

1 hard capsule per day for 10 days per month, to be taken before a meal.

lactibiane defenses

Can be repeated for several months.
