Description

Description:

Xs CLA Max 1900mg per day from Power Health is a food supplement that contains the standardized ingredient Clarinol®. It contains the Conjugated Linoleic Acid, also known as CLA. CLA is an unsaturated omega-6 fatty acid derived from safflower oil, an indigenous Asian plant. In particular, Xs CLA Max contains exclusively the two isomers of CLA (c-9, t-11 CLA & t-10, c-12 CLA) in a ratio of 50:50.

Free from: Sugar, gluten, lactose, preservatives
made in England

Use:

Take two capsules per day, preferably after meal, as a food supplement.
