Description

Low levels of digestive enzymes may lead to undigested food particles in the colon that cause digestion problems and may even trigger an allergic reaction. Enzyme deficiencies can cause indigestion, gas, bloating, abdominal pain or cramps in addition to undigested foods in your stool.

Provida Essential enzymes is a comprehensive probiotic and prebiotic formula that helps relieve digestive discomforts and supports in the digestion of certain foods.

Features:

- No preservatives and coloring agents
- Free form sugar, sodium and potassium
- Gluten free
- Suitable for vegans as well as vegetarians

Provida Essential enzymes

Use:

Take one or two capsules of Provida Essential Enzymes daily with any beverage, preferably before meals.
