Description

Description:

The 14 oils of the Joints Roller have anti-inflammatory, analgesics, anti-stiffnesses and anti-swelling properties. They are alleviating and relaxing. They help to release the articular and muscular tensions, to relieve the feeling of pain and stiffness and allow to find the original flexibility of movements, naturally. Very effective, they act by epidermic penetration, their credits released on the zone to treat act effectively and quickly. Backache, painful nape of the neck, shoulders, or elbows, wrists, hands, hips, knees, ankles, feet... Just do not hesitate to use it over all these sensitive zones.

The ball of the roller allow to proportion the intensity of the massage, you can thus press herd or less herd, according to the area to relieve.

Very practical of use, it allows of a ultra fast gesture, any time of the day, to alleviate the feeling of pain without need to dirty the hands. Keep always within reach. If the occasion allows it, you can also apply a greater quantity of product and massage the painful area.

Results: you feel more flexible, more relaxed, your movements are facilitated, the pain decreases, your body relaxes, you feel less stiff or "rusted".
100% Natural. Dye-free. Preservative-free. Free from synthesis fragrance. Without mineral oils. Non tested on the animals.

Use:

Shake the roller well, then apply it to the painful joints or muscles each time it is necessary. Wash the hands after use if they were in contact with the product. 3 daily applications are recommended: in the morning to get less "rusted", at midday to maintain the effect and in the evening before sleeping to relax the tensions of the day.
