Description

Description:

Puressentiel Anti-Sting Spray 7H repels mosquitoes and calms the stings from the child and the adult. Indeed, this natural spray contains Citriodiol, an active natural ingredient derived from Eucalyptus citriodora essential oil which effectively repels mosquitoes for up to 7 hours for temperate areas and 6 hours for the tropical areas. 100% naturel. This spray soothes bites immediately thanks to its 5 essential oils (Tea tree, Citronella Java, Lavandin grosso, Niaouli and Peppermint)

Use:

Shake well before use. Spray the solution onto exposed parts of the body. Rub in well to distribute the product evenly.

On the face: spray the product onto the hands then apply to the cheeks and forehead. Repeat application if necessary, but do not exceed 3 applications per day.

Wash hands after use. Reapply after swimming. For children (>30 months), do not exceed 7 sprays per day.
