Description

Description:

Puressentiel Express Firming Cream

A formula highly concentrated in essential oils + natural and bioavailable caffeine (= active at the level of its target), for a global firming action synergy on the different types of cellulite¹.

Its innovative, 98.3% natural formula, combines natural caffeine with a complex of 18 essential oils with known firming and tonifying properties, truly boosting the efficacy and absorption of caffeine, which remains active up to 24h after application.

Express firming efficacy¹ from 7 days, demonstrated under dermatological supervision:

Thigh circumference reduction: 77%

Cellulite appearance reduction: 91%

Smoothing of orange peel skin appearance: 86%

Results: your skin is smoother and more moisturised: 90%⁴ and your figure looks slimmer.

Puressentiel Express Firming Cream

Use:

Apply twice daily on clean skin, before any other cream, with circular movements insisting on the zones concerned. As the formula is very concentrated, a small dab of cream per zone is enough for the abdomen, waist, thighs, buttocks, arms, etc..
