Description

Description:

PuresSENTIEL Respiratory Throat Spray helps relieve, clear, clean the airways and soothe the throat irritation.

It quickly soothes the throat and relieves tired vocal cords. Combines the propolis and echinacea stimulating properties against winter assault, softening honey and essential oils EOBB (Essential Oil Botanically and Biochemically Defined):

- The essential oil Peppermint: nasal decongestant tonic and stimulant, it also has bactericidal properties.
- The essential oil of eucalyptus radiata: Powerful antiviral and decongestant, it helps you breathe better.
- The essential oil of thyme thujano: It helps fight ear infections and infections of the mouth.
- The essential oil of Rosemary Cineole: It has expectorant and revitalizing properties.

The synergy of these oils will help prevent and treat bronchitis and colds, and combat nervous and physical fatigue.

PuresSENTIEL Throat Spray is particularly suited to the approach of the cold season and during the winter, to avoid ear infections.

Use:

Adults: 2 to 3 sprays the back of the throat, 3-6 times a day.

Children (over 7 years): 1. spray the back of the throat 3-6 times a day is recommended not to exceed the dose.
