Description

Description:

This Puressentiel Hypertonic Nasal Spray is ideal for use as a nasal decongestant for colds, rhinitis, sinusitis, nasopharyngitis, during periods of winter ailments and allergies.

From the very first minutes, it reduces congestion and nasal discharge, soothes irritated nasal mucous membrane, reduces cold symptoms and hydrates the nasal cavities.

100% natural formula - Essential oils - Seawater - Without preservatives - Without gas propellant

Made in France

Use:

Begin by shaking this nasal spray before each use.

For adults: 2 sprays per nostril (maximum 5 times / day).

For children over 3 years: 1 spray per nostril (maximum 5 times / day).

Use the product within two weeks after opening.
