Description

Description:

RF80, a nutritional concentrate, helps strengthen the hair within its natural life cycle and optimizes hair health. It acts directly upon the factors responsible for reactional thin hair and helps restore vitality, volume, and shine to the hair.

When used as directed, RF80, containing hair innovation Extract of Pfaffia®, stimulates microcirculation around the hair bulb.

This message treatment, containing orange and lavender essential oils combined with vitamin PP, helps maximize scalp nutrition to optimize conditions for healthy growth.

Vitamin B5 and biotin (essential in keratin metabolism) help provide a nourishing environment for the hair bulb.

Plant peptides, along with zinc and copper, help protect the hair bulb, and promote vigorous healthy hair.

Tested by dermatologists, made in France.

Use:

Use RF80 once a week for 3 months. Apply section by section to a clean scalp. To help the product penetrate, massage it in. Do not rinse.
