Description

Description:

This concentrated leave-in serum addresses the three main factors that contribute to hereditary progressive hair thinning, and has been proven to promote the appearance of thicker, fuller, healthier-looking hair.

PRODUCT BENEFITS

Addresses the three main factors that contribute to hereditary progressive hair thinning
Natural Pfaffia extract and essential oils of Orange and Lavender energize the scalp and optimize the environment for healthy hair
Curbicia (Squash Seed) extract reduces excess oil
Bitter Orange extract protects the hair bulbs
Scientifically-shown to promote the appearance of thicker, fuller, hair after three months

Use:

Use twice a week for the first month and then once a week thereafter. Step 1: Turn the cap all the way to the right to release the powder. Shake

vial to mix the ingredients. Step 2: Apply the entire vial to a clean, damp scalp section by section using the applicator tip. Massage scalp to encourage product penetration. Do not rinse. Proceed to styling. For best results, continue to use Triphasic on an ongoing basis.
