Description

**Description:**

Revitalise fine, limp and lifeless hair with the René Furterer Volumea Volumizing Conditioner; an innovative formula that thoroughly nourishes locks, whilst increasing volume from root to tip.

The conditioner envelops tresses in a veil of essential moisture, which energises lifeless hair and ensures a healthy looking finish. Formulated using Inulin, a natural conditioner extracted from Chicory Root, the rich treatment provides weightless conditioning that leaves hair nourished, lifted and ultra-manageable.

An essential dose of natural Carob Extract transforms limp hair by delivering long-lasting, enviable volume. Complete with an uplifting fragrance of Lemon, Thyme and Rose, the conditioner leaves hair voluminous and delicately fragranced.

## Rene furterer Volumea Volumizing Detangling Conditioner

---

Silicon free

### **Use:**

After shampooing, remove excess water and apply in sections. Comb through, then rinse immediately.
