Description

**Description:**

Formulated with Carob extract to visibly thicken fine, limp hair and prepare it for styling, this lightweight leave-in foam provides long-lasting volume, soft hold and protection against humidity without any extra weight.

**PRODUCT BENEFITS**

Lightweight volumizing foam for fine, limp hair

## Rene furterer Volumea Volumizing Foam

---

Provides soft hold and shields hair from humidity  
Adds long-lasting body and lift at the roots  
Natural Carob extract visibly thickens each hair from root to tip  
Leaves hair soft, static-free and easy to style

### **Use:**

Shake well before use. Hold the nozzle facing down into palm to dispense foam. After shampooing and conditioning, apply through towel-dried hair starting from the roots. Use a comb to evenly distribute. Proceed to styling.
