### Description

#### Description:

Resultime Anti-Ageing Mattifying Fluid 50ml on light emulsion form is both mattifying and anti-aging, it is ideal for combination to oily skins.

Its formula contains several active ingredients:

- Micro-Collagen Vector, a powerful active for cutaneous regenerating, which smoothes the skin visibly.
- Zinc known for its properties on reducing sebum production and purifying effect.
- A Mattifying powder which prevents the shine by absorbing excess of sebum from the skin surface.
- A refining Complex, which acts at the heart of the sebaceous gland to regulate cell differentiation, thus preventing enlargement and obstruction of the pores.
- A Lipoaminoacid that helps to preserve the balance of the cutaneous ecosystem by limiting the proliferation of bad bacteria.
