### Description

**Description**

Resultime Unifying Cream is an Anti-ageing and anti-dark spot expertise with high sun protection to combat pigmentation marks to preserve the skins youthful appearance. With Super Activated Vitamin C and Biotechnical Sugars, it prevents dark spots appearing and reduces any new pigmentation marks.

Skin is unified, firmer, smoother and protected.

**Use:**

Apply in the morning to the entire face and neck avoiding the eye area. Recommended to be used in combination with the Dark Spot Correcting Serum in addition, the Anti-Ageing SPF30 may also be used if sunbathing.
