Description

Description:

This thirst-quenching cream mask with our patented Vectorised Micro-Collagen and three weights of Hyaluronic Acid boosts your skin's moisture levels by 100% in just ten minutes!
Suitable for all skin types.

Use:

Apply in a thick layer to clean, dry skin (face, neck and eye contour area). Leave for 10 minutes then remove excess product with a tissue, rinse off with damp mitts and tone with Toning Mist. Follow with a suitable serum and treatment cream. Can also be used as a sleep mask: apply as above, leave on overnight, push in any excess product and then rinse the skin with damp mitts before applying your treatment cream and eye product.
