Description

Revitalash Aquablur Hydrating Eye Gel & Primer is a multi-purpose lightweight eye gel that moisturizes the delicate eye area while smoothing skin, blurring imperfections and adding strength in addition to flexibility to the lashes as well as brows. Moreover, it contains highly effective ingredients that replenish moisture levels, protect against environmental aggressors and fortify lashes and brows. Thus, this Revitalash gel creates a perfect canvas for makeup application.

Features:

- Ophthalmologist & Dermatologist reviewed
- Clinically tested
- Hypoallergenic
- Vegan Friendly
- Cruelty Free
- Revitalash gel does not contain Oil, Parabens, Phthalates, Fragrance, Gluten

-Safe for use with eyelash extensions

Use:

Before applying Revitalash AquaBlur, begin with daily use of RevitaLash Cosmetics lash and brow conditioners

<https://www.pharmaholic.com/beauty/revita-lash-advanced-eyelash-conditioner-2ml-detail.html> as directed and let dry completely.

Morning and night, dispense up to half a pump of Revitalash gel onto fingertip.

Gently smooth over closed eye including lashes, brows, lids as well as under eye contour. Once product is fully absorbed, follow with skincare and makeup application.
