Description

Description:

Rimmel London Fix & Protect Makeup Primer with SPF 25 is a make-up primer that helps skin stay matte for up to seven hours. It protects against pollution, filters out UV rays with SPF 25 and helps prevent hyperpigmentation. It is formulated with light-diffusing properties that minimise the appearance of blemishes. It can be worn alone or under foundation.

Features:

- Anti-pollution
- Anti-stress
- Protective shield
- Skin perfecting
- Made in England
